

QUACK!

The DUCKS are BACK!

Can you find at least **50** rubber ducks hidden in the windows of our downtown stores? Not all of them are actually shaped like ducks! Write the name of each store where you find the ducks, and bring this sheet to **ArtsNatchez, 125 Main St.,** **between 9:00 a.m, Saturday, October 25 and 5:00 p.m., Sunday, November 2** to pick out your own rubber duck!

And...be on the lookout for teeny-tiny ducks—those are yours to keep.
But please, just keep 5, so other people can find some too.

If you find a tiny skeleton duck, you can trade it for **3** rubber ones!
