

Can you find at least **50** rubber ducks hidden in the windows of our downtown stores? Not all of them are actually shaped like ducks! Write the name of each store where you find the ducks, and bring this sheet to **ArtsNatchez, 125 Main St., by 5:00 on Sunday, October 27** to pick out your own rubber duck!

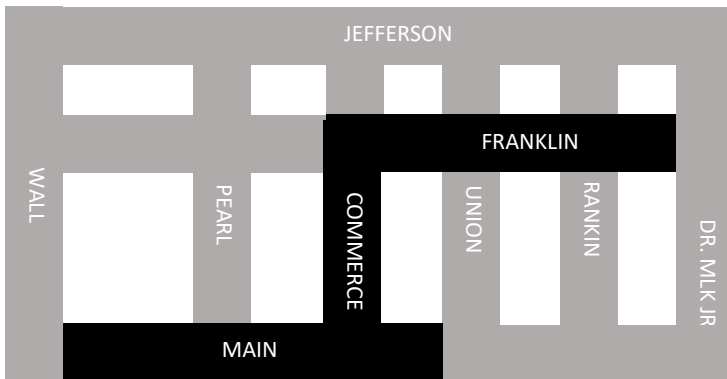

And...be on the lookout for teeny-tiny ducks—those are yours to keep! If you find a tiny bronze metal duck, they are worth **5** rubber ones!
